*This number may appear low, however it is due to a high volume of single individuals.
(individuals without children)

**During FY 09-10 our shelter made the decision to reduce the number of beds available from 34 to 24. This was due to the reduction in grant funding, causing a reduction in staff.

***FY12-13 was the first fiscal year in which our Shelter Program was strictly for victims of Domestic Violence as we ended our homeless services due to loss of all homeless grant funding.
